Cave & Wolfe Salvors stay with Stanner & Fensome

Last time they were the Cats, this time they were the Cuckoos, but their made no difference to John Stanner & Mike Fensome, who retained this 5+ Tournament crown yesterday.

They went through the day undefeated and were worthy winners for the second time this year (*they won the much postponed 2011 badged event just six weeks ago*).

Runners-up were the surprise package of Rae & John Kennedy who lived up to their bird of prey 'Kestrals' monica to kill of all but one opponent on their way to the final.

The 13 pairs all seemed to enjoy the day,with the only downside being the timeliness of some games that resulted in only the main final of the 6th Round games being played as the chill the preceded evening rain started to bite. DetailS of the 2011 Tournament (actually played in April 2012) appear below:

Congratulations to Mike Fensome & John Stanner who won the much postponed 2011 Cave Wolfe (5+ Doubles) Tournament today

'The Cats', as was their monica for the tournament, emerged as the only undefeated pair after four rounds of rain soaking play.

Playing in this 'flexable swiss' format, chosen because of the uncertain weather prospects, they defeated the John Chalfont & Don Rutherford, 'The Monkeys' in a defacto final.

John C & Don's victories tally saw them tied on three wins with Rosie Richardson & Pat Eades 'The Kangaroos', but the chaps were confirmed in second place having won the 'head to head' match earlier on.

John C & Don were presented with the Hilda Dobson Cups as runners-up, and Mike & John S took home the Cave Wolfe salvers as winners.

A special thanks to all 14 pairs for sticking at it in the cold and rain - you all made it happen - really well done everyone!
