

AC 8+ Advanced Tournament 2019

(Jointly hosted with High Wycombe CC)

17 & 18 July - McLoughlin wins the PCC/HW AC Advanced tournament

Ealing's Carole McLoughlin was the clear winner of the inaugural Phyllis Court & High Wycombe AC 8+ Advanced tournament at the conclusion of the two-day contest this afternoon.

The five round Swiss style event attracted visitors from as far afield as Nottingham, Edgbaston (Birmingham) and Cheltenham, along with players from more local clubs. Raghu Iyer and Frances Colman were the Phyllis Court players in action and were grouped together with four other players all on 3 wins from five matches, but McLoughlin's cool five hoop break in her last match (v Steve Fisher) after time had been called won her that game, for a total of 4 wins, and the tournament.
