### 5 January - Lockdown again - all play suspended

Following the PM's statement last evening, and in consultation with Phyllis Court CCO Chris (again this morning), I am and to confirm that **Our croquet courts are now closed until the Lockdown restrictions are lifted.**

The front page of this website has been updated with easy links to the latest statements by The UK Government, Phyllis Court Club and The Croquet Association. Please check these live links for the most up to date information now and in the weeks ahead.

The Croquet Association's statement this morning, sums up the current situation well:  
The latest national lockdown guidance for England states that "Outdoor sports venues, including tennis courts, golf courses and swimming pools, must close."  
The CA therefore advises croquet clubs to close until the restrictions are lifted.

Rick Lilley has removed our hopes for safekeeping and for ease of grass cutting during this period of closure.  
More positively, with the vaccination programme now underway, we can look forward to brighter times ahead.  
Stay safe everyone.

### 29 March - . . . and we are back playing again!

Play got off to a cracking start today (the first day of slightly relaxed covid restrictions) with double banked singels games on both courts as the clock ticked past 10am.
