This season's tournament was run with a Swiss format, in which players are paired against opponenet on the same (or similar) numbers of victories.

Red indicates the winner of that particular match.

The top four finishers all qualify or the Area Finals of the ALL ENGLAND HANDICAP (a National Competition)

18 April - Roger Goldring snatches last round Handicap Singles victory.

In the closest Handicap Singles Tournament yet, as others faltered, Roger Goldring held his nerve to win the 'Black Ball' Trophy for the first time. Going into the last round Dianne Brown and Don Rutherford were both tied with Goldring on games won, and Ian Norris was still 'in the mix' but needing all three of his rivals to loose. But of the leading trio, only Goldring was able to win his last round game, and so was a clear winner without the need for the 'who beat whom' rule or an additional play-off. Norris won his last game too and so tied for second place with Brown and Rutherford (they could not be split as all had not played each other, in this Swiss style tournament). **ALL FOUR DULY QUALIFY FOR THE AREA FINALS OF THE GC ALL ENGALND HANDICAP** (a national competition).

Earlier in the day Colin Morgan had shown well, but his results faded later on, Sylvia Thomson made a welcome return to competitive croquet, and full marks for our highest handicapper Geraldine Clayton for supporting the event and 'giving it a go' - thank you.

Handicap changes after this tournament:

Ian Norris: 1 to 0
