## CA Diploma nomination for Helena Jansson (Fensome)

Helena Jansson has been an enthusiastic and popular member of the Phyllis Court Croquet Club for the last 15 years and has contributed enormously to the increased profile and the friendly atmosphere that exists at the Croquet Association's largest club by membership.

Her major contribution to club life has been with coaching where, for the past dozen or more years she has trained a total in excess of 250 new players, who all attended a beginner's course of four two-hour classes in groups of two or four.

This huge commitment would surely be meritorious enough to warrant the award of a CA Diploma alone, but is the additional hidden detail of Helena's super friendly welcome, backed up by her seemingly endless bubbly encouragement of particularly the weaker individuals, that really sets Helena apart.

That so many of her students, have stuck with croquet after her classes is testament to the enthusiasm that she instilled in them at their introduction.

Helena has been a very prominent club member almost from the start of her long membership and she even joined the Club committee in only her second year, taking on the not inconsiderable role of social events co-ordinator.

In wider croquet circles, Helena has taken the name of Phyllis Court Croquet Club around the country, and indeed the world, as a very active tournament circuit player.

She played in two World Championships and one Women's World Championship representing Finland, giving croquet a presence and doubtless heightening the awareness of croquet in her native country.

For all these reasons, together with her infectious enthusiasm for the sport, Helena Jansson is truly deserving of the award of this Croquet Association Diploma.
