This season's tournament was run with a Swiss format, in which players are paired against opponenet on the same (or similar) numbers of victories.  
**The block below shows the results if the games that that system scheduled.**

## 12 May 2016 - Ian Norris & Diana Zatouroff win 'Hugh's Mallet' Tournament

Ian Norris and Diana Zatouroff lead nearly all the way in this 'High/Low' Doubles Tournament and despite a hiccup and the last two games going to the 13th hoop, they emerged victorious.

The manager was delighted that they pulled clear with one more win than their closest rivals, as this gave the event clear winners, rather than the prospect of a multi-pair tie on wins, necessitating much 'working-out'.

The fly in the eventual winner's ointment was the Mike Fensome and Margaret Broughton duo, who beat Norris and Zatouroff in the penultimate round, and they were in the 'box seat' but there loss to Mary Gaynor and John Maguire at the 13th hoop, also lost them the tournament win.

Congratulations to the winners, Zatouroff especially as it was her first, and also a warm welcome to new member Robin Coates who enjoyed his first competitive event.
