CROQUET ASSOCIATION FIXTURE CALENDAR TOURNAMENT

GC C-Level (7+) Series tournament 2019

15 May - Northampton's Glynis Davies wins our C-Level Series tournament

There were mixed fortunes for the five Phyllis court players who participated in our C-Level Series tournament today.

A difficult format and quite a few sit-outs were necessary because of the non-availability of Court 4 (still not recovered from last year's crow damage).

Fortunately the weather was wonderful and this certainly saved the day.

Tony Peperell was the one home player to qualify from the block stage for the main event knock-out quarter-finals, where he fell 6-7 to the eventual winner Glynis Davies of Northampton.

Steve Morton and John Maguire each impressed with three wins from six games, whilst Bill Pitkeathley and Madeleine Probert experienced a disappointing day.
