7 May - Peperell & Searle win DP 1

Richard Peperell and Christine Searle won the first of our three Drawn Partners Tournaments today after only qualifying from their block by the slimmest of margins - One Hoop!

Ian Norris and Pauline Wood were the only undefeated pair at lunch but fell at the 13th hoop of their semi to Helena Fensome & John Etheridge.

Ultimate victors Peperell & Searle snuck past Don Rutherford and Colin Morgan, again at the 13th hoop, but the final was clearer-cut at 7-3.

It was a shame that only half the maximum entry took part in this tournament.

Perhaps it was the call of the General Election toady, coupled with the shoes and handbags on sale at the PCC Spring Fair, that diverted attention elsewhere, but whatever the reason it was rather disappointing.
