Golf Croquet 8+ Singles Tournament 2018

26 July - Probert wins 8+ Singles - a very well supported tournament

It came as complete surprise to Madeleine Probert that she had won the second running of our 8+ Singles tournament today. But when she finished her six game programme with only one loss, only Michael Christmas had the same record and Probert had beaten Christmas in their 'head to head' game earlier in the day - so she won the event on the 'who beat whom' rule. This was a very well supported tournament with 14 players that included (very pleasingly, several who were beginners this April. One of those Bill Pitkeathly, was the only one to take a game off Probert and he ended on 4 wins from 6, one behind the top pair. Christine Searle got the same score and finished third overall thanks again to her 'head to head' win over Pitkeathly. But it is commiserations to Christmas and congratulations to Probert who celebrates this her first singles tournament win.
