

PHYLLIS COURT CROQUET CLUB
COURT LAYOUT - GOLF CROQUET

All four of our courts are oriented the same way, with boundaries, corner flags and hoops arranged as shown above.

All games start from Corner IV (marked by the Yellow flag).

The route plan illustrated is for a 13-point game. The 13th hoop, if required, is Hoop 3 played from the River end.

In a 7-point game, play to hoop 6 as above and then the final hoop is Hoop 1 played from the Car Park end.

In a 19-point game, hoops 13 to 19 are a repeat of hoops 3, 4, 1, 2, 11, 12, 3.

In Advantage Croquet, a "first to 7" game may require 14 or 15 hoops to be played, in which case hoop 14 is a repeat of hoop 4 and hoop 15 is a repeat of hoop 1.
