### 22 Sept - Dianne Browne & Gillian Symons win the '10+ combined 'Cave & Wolfe Doubles Salvers

It was fitting that Dianne Browne and her junior partner Gillian Symons won the Restricted (10+ combined handicap) Doubles tournament today for the Cave and Wolfe Salvers, because Gillian is the niece of trophy donator Stella Cave.

On a glorious day the winning pair were undefeated throughout and Symons in particular was in good form for the whole tournament, which nicely rounds her competitive season win which she has enjoyed much improvement.

Browne & Symons defeated Roger Goldring & Julia Green 7-4 at the end of a long day in which Symons and Green earned their first trophies.

It was good to welcome Andy Jones and Ruth Raunkiaer to their full day tournament debuts as they were partnered by the experienced Delia and Ian Norris.

The full results are below.
