18 September - Coates wins AC Summer tournament 'Caversham Plate'

Robin Coates duly completed his fourth of win in the delayed deciding game of the AC Summer Tournament today.

His victim this time was Chris Roberts who also went into the game undefeated, but he had no answer to Coates' good use of his bisques and strong accurate hoop running.

Coates is pictured here with his prize, perhaps our prettiest trophy, the Caversham Plate.

23 July - AC Spring Tournament (Senior class) rests on Coates v Roberts decider

The AC Summer Handicap Tournament (Senior class) took place today in the blistering sun.

The final game of the 'all play all' format turned out to be the decider between the tow undefeated players Robin Coates and Chris Roberts, and this was put on ice until another tome as the heat of the day took it's toll.
