### Wood & Shirley win Hugh's Mallet

Raymond Wood won the last of our three Drawn Partners tournaments when he piloted Edmund Shirley to victory this afternoon.

This is the first time Wood has won this particular event and it was a inaugural victory of any kind for Shirley.

The disappointing field of just six pairs was the smallest ever for what used to be our 'ever popular' DP tournaments.

This follows the decline in numbers noticed over the last three years in this style of event and interest is clearly on the wane.
